Dear Ratepayer

FIREWORKS SURVEY

The Overstrand municipality is currently considering whether a blanket ban should be imposed on setting off fireworks throughout the Overstrand, or whether controlled fireworks displays should continue to be permitted in specifically designated areas on 31 December. Pearly Beach is currently **not** an approved area for setting off of fireworks. However, fireworks have been set off at Castle Beach on 31 December over the past few years.

To enable the Pearly Beach Ratepayers' Association management committee to express the view of the majority of ratepayers, please reply by email to our secretary, Viv Burton-Moore at admin@pearlybeachratepayers.co.za by no later than **30 April, 2016**, expressing your view as:

- 1. I am in favour of Castle Beach being designated as an approved area for the controlled setting off of fireworks on 31 December.**
- 2. I am in favour of the current status being enforced that no fireworks may be set off in Pearly Beach.**

Please include **your name and Pearly Beach street number or Erf no** with your reply.

Thank you.
