

**SUMMARY OF THE MINUTES OF THE PEARLY BEACH RATEPAYERS' ASSOCIATION COMMITTEE MEETING HELD ON TUESDAY, 8 MARCH, 2011.**

▶ **Pearly Beach Community Website**

Steve presented a preview of the proposed Pearly Beach Community website. The committee were impressed with the layout of the site and asked Steve to proceed with the designer. Dudley thanked Steve for his work on the proposed site.

▶ **Pearly Beach Drop Off Zone**

Dudley reported that the contractor had been contacted and instructed that the required signage be erected.

**REZONING OF ERVEN 332 & 515**

A letter requesting that only single storey dwellings be permitted in the proposed development on Erf 332 and that the height of the buildings be limited to 6m and not 7.5m as stipulated in the present architectural guidelines had been submitted. No objections had been raised with regard to the rezoning of Erf 515.
